

RUGGEAR RG880i

• • Military Grade
• • Rugged Device

Designed for durability and practicality, the Ruggear RG880 excels in tough work environments. Its rugged design, IP68 water, and dust resistance make it a reliable companion in challenging conditions.

Beyond toughness, the RG880 features an innovative loudspeaker for clear communication, a removable 4500 mAh battery for all-day power, and fingerprint recognition for enhanced security. Powered by the Snapdragon 680 processor, it's a powerful tool for the modern workforce.
