

Telox

TE310

Smart LTE
Handheld

The TE310 Smart LTE Handheld is a rugged, easy-to-use Push-to-Talk device built for clear, reliable communication in demanding environments. Featuring a powerful 3W speaker with noise cancellation, a long-lasting 4000mAh battery, LTE connectivity, and an IP68-rated durable design, it keeps teams connected and productive in security, transport, logistics, and field operations.

TECHNICAL SPECIFICATIONS

Processor	1.5GHz Quad-core 64-Bit	Dimensions	129 x 58 x 26.5 mm
Memory	RAM: 1GB; ROM: 8GB	Weight	237g
Display	No Display	Colour	Black
Screen Resolution	No Display	Mic & Speaker	3W, Speaker Dual Microphones with AI noise suppression
Operating system	Android	Network	GSM: 2/3/5/8 WCDMA: B1/2/4/5/6/8 TDD-LTE: B34/38/39/40/41 FDD-LTE: B1/2/3/4/5/7/8/12/13/17/8/19/20/25/26/28A/28B/66
Version	10	SIM	Nano-SIM card slot 2
WiFi	IEEE 802.11 b/g/n 2.4.5Ghz	Water Resistance	1.5m / 30min
Bluetooth®	V4.2	Dust-resistance	Dust Tight
IP rating	IP68	Operating Temperature	-20°C /60°C
GPS	GPS, GLONASS & AGPS		
NFC	Yes		
Battery Type	Li-Po Polymer		
Battery Capacity	4 000 mAh		
Battery	Hot swap Battery		
Resistance	Drop Test 2m		
Alarm	Low battery & memory alarms		
Sensors	Acceleration sensor GPS, Glonas, Beidou and AGPS
